Warranty Certificate

This warranty certificate confirms the extension of the standard warranty period of Bytewatt products included in the list below, to 10-years. This extended warranty only applies to purchases made from AZ Energy Pty Ltd. All other terms and conditions remain the same to the Bytewatt ESS general warranty, which can be accessed on www.byte-watt.com.

- INV Module, BW-INV-SPH-3.6K
- INV Module, BW-INV-SPB-5K
- INV Module, BW-INV-SPH-5K
- BAT Module, BW-BAT-10.1P
- BAT Module, BW-BAT-4.8S

If the products are replaced within the warranty period, any remaining warranty period/s will be automatically transferred to the replaced products, subject to its previous operation/install/de-install conditions.
